

## **Christopher J. Wieczorek, Ph.D.**

*Senior Research Specialist*

*FM Global*

Dr. Christopher Wieczorek is a recognized expert and author in the fire science field and a technical team manager in the scientific research division at FM Global, one of the world's largest business property insurers. He joined the company in 2003.

In his current role, he oversees large scale fire testing at the company's research campus in West Glocester, R.I., USA, the world's largest and most advanced scientific center for the study of fires and natural disasters.

Dr. Wieczorek holds a bachelors of science in mechanical engineering from Western New England College, and a masters in fire protection engineering from Worcester Polytechnic Institute. He received his doctorate in mining and minerals engineering from Virginia Polytechnic Institute and State University.
